REPUBLICANS CHOOSE POLITICS OVER PEOPLE: VOTE AGAINST SB 300

Assembly Republicans voted today against a motion to bring Senate Bill 300 relating to copayments, deductibles, or coinsurance for oral chemotherapy and injected or intravenous chemotherapy before the Assembly for passage. Earlier today, the Senate approved Senate Bill 300 by a vote of 30-2.

“I am appalled that Republicans cannot put aside politics for a moment, even in the faces of their constituents battling cancer,” stated Vruwink. “I have shared in the emotional pain that accompanies this disease. Asking for parity in chemotherapy treatment coverage is not political grandstanding: it is action on humane legislation that offers hope for Wisconsin families.”
